

Weedstick is an easy liquid herbicide applicator to use through direct contact with the weed without risk of contaminating the surroundings of the weed to be removed. Just place it on the weeds and press down to apply a controlled dose of herbicide.

Advantages

- Transparent tube with marked levels to facilitate the calculation of the dose.
- Focused application in green areas.
- Ergonomic, lightweight, precise and selective applicator.
- Efficient elimination of individual weeds, especially in windy conditions avoiding all drift risk.
- Suitable for application of products of natural origin (pelargoniconic, acetic, etc...).

Technical information

Technical information	WEEDSTICK
USEFUL CAPACITY	450 ml
NET WEIGHT	0.21 Kg

Logistics data

Logistics data	WEEDSTICK
CODE	8M837823
EAN	84.14685.02045.1
CONDITIONING	4 units
UNITS PER PALLET	80 units
DIMENSIONS PER PALLET	1200 X 800 X 1140
